THOIR GOOD

- The heedless mind forgets its meaning; Tis only when some heart lies dead, On which our own was leaning,
- We hear in maddening music roll That last "good night" along the soul. "Good night"—in tones that never die; It peals along the quickening ear, And tender gales of memory
- Forever waft it near,
 When stilled the voice, O crush of pain—
 That ne'er shall breathe "good night" again. "Good night!" it mocks us from the grave-
- It overleaps that strange world's bound From whence there flows no backward wave It calls from out the ground, On every side, around-above, "Good night, go d night!" to life and love !
- "Good night!" O wherefore fades away The light that tived to that dear word? Why follows that good night, no day, Why are our souls so stirred? O, rather say, dull brain, once more, "Good night! thy time of toil is o'er!"
- "Good night" now cometh gentle sleep, and sears that fall like gentle rain, Good night, O, holy, blest and deep, The rest that follows pain! How should we reach God's upper light, If life's long day had no " good night."

"I don't know what you mean by not being an Irishman," said the gentleman who was hiring him, "but this I know, you were born in Ireland." "Och, your honor, if that's all," said the boy, "small blame to that. Suppose your old cat has kittens in the oven—would they be loaves of bread?" The boy got the place.

The U.S. steamer Michigan has been sent to the Island to look into the affair.

I have a let-ter from my brother, stating that the physician desires you to forward another dozen buttles. He thinks under its use the dilease is arrested. I may add that my father has tried every physician of distinction in Scotland and England, including Profes sors of Edinburg and Colleges , without relief. The disea e was of three years standing, began in the right cheek, which is partially consumed. He was a sufferer with constant pain; which has entirely left him

and will with pleasure communicate with any one in reference to his case. CALLAWAY COUNTY, MISSOURI,

Dear Sir-With great pleasure I inform that your preparation of Beech Drop has accomplished for me what I thought beyond the reach of human agency. For the last twelve years I have been afflicted with Scrofula of a Cancerous form, So extensive was the ulcers and so horrible my appearance that my case became notorious with all the Faculty in this and the adjoining counties-in fact I had obtained the best medical aid in our State, without any abatement of the disease. Through a fiend I procured a half dozen bottles of your Beech Drep, after using it, so perfect was the cure, that hundreds visited me. My desire is to benefit my fellow man; with that purpose I beg all afflicted with Scrotula in any form to use it. Enclosed you will find an order from some friends

for the preparation. Very truly, JNO. C. FLINT. For sale by Druggists and Dealers in Medicines in Washington, Alexandria, and Baltimore. oct 14-d3m

DR. MORSE'S **INVIGORATING CORDIAL** A PHENOMENON IN MEDICINE. LIEALTH RESTORED AND LIFE DE. MORSE'S INVIGORATING

ELIXIR OR CORDIAL.-At first the ties attributed to Pro. MORSE'S INVIGORATING ELIXIR OR CORDIAL were deemed fabulous. The public often deceived, could not believe the simple and sublime truths announced by the discoverer .-But facts, undeniable facts attested by witnesses of the highest class and character, are now triumphing over all doubts. INCREDULITY IS OVER-THROWN by a mass of testimony which is perfectly

The BLIXIR remedies, in all cases, the deplorable vils arising from a misuse or abuse of the various rgans which make up the worderful machine called ad. It restores to full vigor every delicate functien connected with that mysterious compound gency of matter and mind, necessary to the re-pre action of human life. To persons of feeble muscuar frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or to any age. The feeble girl, the ailing wife, the listless, ernevated youth the overworn man of business, the victim of nervous depression, the individual suffering from general debility, or from the weakness of a single organ, will all find immediate and permanent relief from the use of this incomparable renovator. To those who have a predisposition to paralysis it will prove a complete and unfailing safeguard against that terri ble malady. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these despair. The Elixir deals with disease as it exists, without reference to causes, and will not only remove the disorder itself, but

REBUILD THE BROKEN CONSTITUTION. The derangements of the system, leading to neryous tiseases, and the forms of nervous disease it self, are so numerous that it would require a column to enumerate the maladies for which this prepararation is a specific. A few, however, may be enumerated, viz: neuralgia, tic dolereaux, hea lache, incipient paralysis, hysteria, palpitation of the heart, spina! affections, muscular debility, tremers, flatulence, a pricking sensation in the flesh, numbness, torpid ity of the liver, mental depression, weakness of the will, indisposition to move, faintness after exercise, broken sleep an i terrifying dreams, inability to remain in one place or position, weakness of the pro-creative organs, sexual incompetency, melancholy, monomania, fluor albus, uking at the stomach, female irregularities, a chronic tendency to miscarriage, emaciation, and all complaints growing out of a free indulgence of the passions, and all barrenness that does not proceed from organic causes beyond the reach of medicine. Whenever the organs to be acted upon are free from malformation or strictural diseases it is averred

MORSE'S INVIGORATING ELIXER will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural sotivity, and this not only without hazard of reaction, but with a happy effect on the general organization.

Bear in mind that all maladies, wherever they begin, finish with the nervous system, and that the paralization of the nerves or motion and sensation is physical death. Bear in mind also, that for every kind of nervous disease the Elixer Cordial is the only reliable preparation known.

CAUTION. Da. Mobse's Invigorating Condial has been counterfeited by some unprincipled persons. In future, all the genuine Cordial will have the proprietor's fac simile pasted over the cork of each bottle, and the following words blown in the glass Dr., Morse's Invigorating Cordial, C. H. RING, Proprietor, N.Y. The Cordial is put up highly concentrated, in

pint bottles. Price,-\$3 per bottle; two for \$5; six for \$12. C. H. RING, Proprietor, 192 Broadway, New York. Sold by Druggists throughout the United States Canadas, and West Indies.
